

SAFETY SERIES

IMPAIRMENT

WWW.STARHR.COM

3,000

fatal crashes each year are linked to distracted driving

21%

of all fatal crashes may involve a drowsy driver and cause 6,400 deaths annually

7/10

employers have been directly impacted by drug misuses in the workplace

IMPAIRMENT CAN TAKE MANY FORMS

DISTRACTION

OPIOID PAINKILLERS AND OTHER MEDICATION

FATIGUE

MARIJUANA

ALCOHOL

Create a safe driving policy prohibiting any type of phones while at the wheel.

Communicate with fatigued workers and remove them from unsafe positions.

Make arrangements for any employee that must take opioids to reduce risk.
